Dear Mohammad,

We at Spirides Hotel Finance Company are very pleased to be the newest corporate sponsor of Charlotte HTA. As the owner of a hotel finance company and as a former hotel owner & operator myself for over 20 years, it would be my pleasure to assist your members by providing financing for any type of capital project that they are considering. Such a project might be a new hotel development with construction, an acquisition, a debt refinance, or a PIP renovation project. We have access to all types of loan programs through our nationwide network of lenders. With loan amounts ranging from \$2,000,000 to \$50,000,000 the loans that we provide have the best terms available today.

To learn more about the services that we provide I would encourage your members to visit our website at hospitality-finance.com. Charlotte HTA members should know that they are always welcome to call me anytime for a free consultation on any hotel financing project that they are considering. My contact information is listed below. I am looking forward to meeting your members and becoming a valuable resource for Charlotte HTA.

With Warmest Regards,
Harry G. Spirides
